

THE **1835**

At The1835, celebrating the year our house was built, the old world meets what's next - high above Vienna's cobbled streets and hidden from plain view. The space unfolds slowly, shaped by ambient light, layered textures, and a sense of calm that invites you to linger.

Signature drinks are crafted with intent, blending classic technique with a twist of something unexpected, each one telling its own quiet story. As the skyline stretches out before you, the atmosphere adapts with the hour, always intimate, always just a little bit removed from the everyday.

The1835 isn't simply found - it's experienced.
